NOTES:

- The first annual fee is payable in advance on establishment of the SIPP and thereafter annually on the SIPP anniversary. The above fees may be subject to VAT.
- The annual administration fee for a SIPP with property assumes that the member manages their own property or appoints a property manager. If we are required to arrange this, there will be a charge per property.
- Fees in respect of other professional advisers may be payable in addition to the above fees, e.g. lawyers and valuation fees in connection with a property purchase etc.
- We reserve the right to reasonably increase fees and amend the Fee Schedule from time to time by giving you 30 days' notice. Fees may also change due to the complexity of the assets held. We reserve the right to charge additional fees for holding assets deemed by the FCA to be 'non-standard'.
- Any fees for other exceptional work not included above will be charged on a time-cost basis, agreed in advance.
- We do not charge for providing the latest available value of your SIPP. However, additional fees may be charged where an ad-hoc up-to-date valuation is required. Any additional fees will be agreed with you in advance.
- We will refund pro-rata the annual fee, upon transfer out and closure of your SIPP.
